

Coronavirus Vaccine

Protect yourself and others by getting the COVID-19 vaccine when it is your turn

1 Wait for a phone call or letter from your GP

2 Phone the number on the letter to book an appointment

3 Make a note of when and where to go

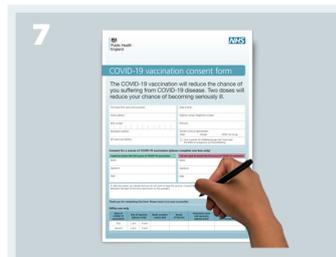

4 It may be at hospital, GP, a pharmacy or a Vaccination Centre

5 On the day, make sure you are on time

6 Talk about any worries or concerns

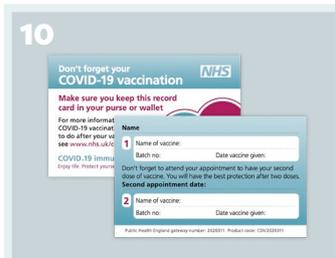

7 Sign the consent form if you agree to be vaccinated

8 The injection will all be over quickly

9 Wait 15 minutes to make sure you don't have a bad reaction

10 You will get a card telling you when to come back

11 Make sure you go to your second appointment

12 It takes a few weeks for the vaccine to protect you - keep safe

Remember - It takes two doses to be fully protected
