Working Together Celebration

We are planning a garden party for July to celebrate the work we do together. We will be sending out invitations to our staff team, volunteers, Experts by Experience and the partners we work closely with on our projects very soon.

A Message from our CEO

Hello Everyone,

The new financial year has got off to a great start with four new projects which will allow us to do more great work to make sure that disabled people in Gloucestershire have the best possible support and the right opportunities and have their voices heard. The new projects also mean new staff which is great for IG. I would like to welcome them to our team.

As we go from strength to strength we must grasp the opportunities that come our way whilst at the same time making sure that we remain true to our values. It is those values that make us special.

Our success is down to the efforts of our people, I'd like to thank them for all their hard work.

How can I get involved with Inclusion Gloucestershire?

- Pop into our Hubs in Cheltenham, Gloucester, Stonehouse, Coleford or Tewkesbury. They're open to anybody with a disability or mental ill health. For locations and opening times visit <http://www.inclusiongloucestershire.co.uk/services/#inclusionshub>
- Get involved with MHELO, our peer network for people with mental health challenges.
- We will soon be asking people with learning disabilities about what helps them and how life could be better. If you'd like to have your say, we'd love to hear from you. We'll be running workshops – contact us to find out when.
- If you are looking for or are a PA or more informal assistant, we'd love to tell you about a new directory that is being launched this summer to link the two together.
