Boosters
Better protection

NHS
COVID-19
Vaccination Centre
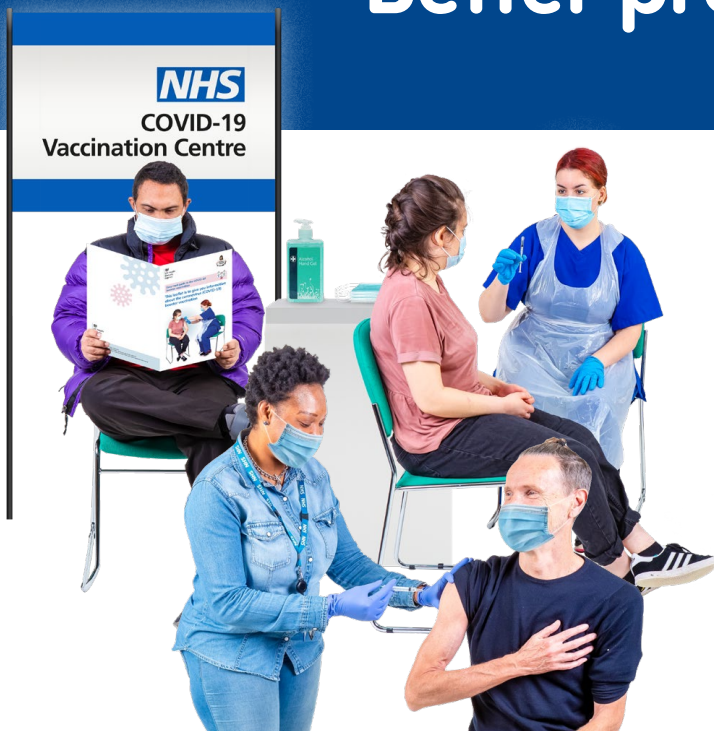

The **Omicron** virus is spreading fast.

Two doses of vaccine will not protect you.

All adults can now get a third booster jab.

IMPORTANT ADVICE TO KEEP YOU SAFE FROM CORONAVIRUS

Your safety and the continued provision of the care and treatment you need is a priority for the NHS. This letter gives you advice on how to protect yourself and access the care and treatment you need.

You can ask someone to help you.

A carer may book you in. Or you may get a phone call or a text message from "**NHSvaccine**".

There are some walk-in centres where you don't need to book.
